Letter from your Principal

Dear Wrenshall Families,

Please let me welcome you to a new year at Wrenshall School. It is my hope that you and your child will have a rewarding school experience as a Wrenshall Wren. In order for school to be a place for children to learn and grow, it is essential to create an environment of mutual respect. We want school to be a place to experience the excitement of learning, a place where the students, parents and school staff form a partnership. Working together, there is no limit to what we and our children can achieve. As we plan for a new school year we are continuing to model a positive behavior intervention framework for our elementary students. This framework promotes common language establishing expectations for all students. We also have been implementing Restorative Practices. The aim of restorative practices is to develop a community to manage conflict and tensions by repairing harm and building relationships. We want our students to thrive in a safe environment. This parent/student handbook is intended to be a guide into your child's school program. After reviewing it for general information, I encourage all parents and students to become actively involved in their child's school experience. Best wishes for an exciting and rewarding school year.

In partnership,
Ms. Blanchard

Part I: General Information

ELEMENTARY ENTRANCE AGE

Students may enroll in school at Wrenshall Elementary provided they are at least five years old on September 1st for Kindergarten, or at least six years of age for first grade. Please contact the school for more details.

Arrival and Dismissal Times

Buses arrive	8:00 – 8:15 a.m.
Breakfast served/cafeteria	8:00 – 8:20 a.m.
Classes begin	8:30 a.m.
Lunches and recess (3 Sections)	11:00 a.m. – 12:00 a.m.
Walkers dismissed	3:08 p.m.
Bus students dismissed	3:10 p.m.
Buses depart	3:23 p.m.

ENTRANCE AND END OF THE DAY PROCEDURES

If your child does not ride the bus please time his or her arrival for no earlier than 8:00 a.m. Although teachers arrive earlier they are not supervising hallways or the playground. Their time is spent preparing for the day.

Classes begin at 8:30 a.m. and we ask that students **not** arrive earlier than 8:00 a.m. as supervision of students isn't provided until that time. Elementary students arriving

prior to 8:00 a.m. may only do so if they are attending Wrens Club (Advanced scheduling is required).

The building is to be cleared by 3:15 p.m. each day, unless you have an appointment with a teacher or an after-school activity.

Elementary students are to proceed directly home or to the residence of after-school care following 3:08 dismissal. Elementary students are not to stay after school unless their parent/guardian has made arrangements with the child's teacher, Principal or the student is involved in extracurricular activities. **Any non-participants must be accompanied by parents. Notes must be sent if students are staying for an after school activity.**

Students that are released early to walk home are expected to leave school grounds when dismissed.

***The school is not liable for injuries sustained on school grounds after 3:15 p.m. for any students that are not involved in extracurricular activities.

ELEMENTARY EARLY DEPARTURE OR ALTERNATE PICKUP

If you wish to make a change in the way you usually have your child come home from school (maybe grandma is to pick him/her up), we **must have a note or a call from home. Please call the classroom teachers by 2:30 p.m. and leave a message each day changes need to be made for your child(ren).** Children sometimes become confused and may not do as you wish. For your child's safety we ask that you let the classroom teacher or the main office secretary know of any change in departure plans. We **require** that parents/guardians go to the main office (room 100) rather than the classroom when picking their child up early. This procedure is recommended in an effort to minimize interruptions in the elementary classroom. We also want to assure that an unauthorized person is not taking your child. Your child will be sent to the main office for release. **Students will not be allowed to make plans during the day to go someplace other than home.**

PARENT CONCERNS AND QUESTIONS

If you have a concern or question, please contact the appropriate staff member. We want to work with you to provide the best experience for your child. We do ask that you follow the chain of command in our school. Here is a list of the steps to follow in order:

1. Talk to the staff member directly involved (bus driver, teacher, paraprofessional, coach, etc.)
2. If not resolved, contact the Principal
3. If not resolved, contact the Superintendent
4. If not resolved, contact the School Board

We do understand there are some issues that require you to go directly to a supervisor. We will be glad to assist you in those situations.

LIBRARY BOOKS

Our media center contains study areas and a wide variety of literature for all students to access separated by grade level and interest level.

Students that lose library books may be required to replace the missing books or their parents may be required to replace the missing books before they are allowed to take out additional library books.

CHANGE OF ADDRESS

Changes of address, telephone number, or emergency information during the school year should be reported to the main office as soon as possible so that emergency forms and instant alert information can be updated.

LOST AND FOUND

Many of our students possess the same brand and/or color of jackets, snow pants, boots, backpacks, athletic gear, balls, etc. Labeling of personal items will minimize confusion in locating owners of lost items. Please label your child's possessions.

Items that have been turned in as lost will be kept in the lost and found which is located at the bottom of the elementary staircase next to the cafeteria. Each year numerous items from lost and found are unclaimed. Items left in lost and found for three weeks will be given to a local charity due to the lack of storage space. Students should check in the main office to recover lost textbooks or items of value.

BIRTHDAYS/SEASONAL PARTIES

If acceptable, classrooms acknowledge your child's birthdays and seasonal events throughout the year.

Treats for your child's birthday are traditional but not mandatory. All treats need to be store bought and in the original package. Each classroom will communicate more details.

Please be aware of Peanut free classrooms, avoid any treats with peanuts and nuts or anything processed in a plant with peanuts or nuts. In an attempt to respect the feelings of all students we request: Mail or text invites from home (they will not be passed out in school.

BRINGING ITEMS TO SCHOOL

Students should be reminded not to bring valuable or dangerous items to school. We cannot safeguard valuable items. Our students should not bring items from home unless approved by the teacher or Principal.

PETS

If you would like to share a family pet with the class, please contact the teacher in advance to arrange for the visit. Once you arrive at school with the pet, be sure to have control over it at all times. A large group of excited children can cause some unusual reactions in pets. We generally ask parents/guardians to return the pet home with them on the same trip. Any extended stay for the pet should be pre-arranged with the classroom teacher.

BUS TRANSPORTATION

All students are entitled to be emotionally and physically safe while being transported to and from school. Certain laws and regulations govern the operation of school buses. Minnesota Statute, section 123.7991 lists as one of seven concepts that: ***Transportation by school bus is a privilege, not a right.*** Safety on the buses is our prime consideration and thus riding privileges can be revoked. Cooperation and appropriate, safe behavior on the bus is expected of all students.

1. The bus driver is in complete charge while on the bus
2. All riders shall remain seated when the bus is in motion and keep head, hands, arms, etc. inside the bus.
3. Scuffling, fighting, and obscene language are forbidden.
4. Bus riders will not litter the bus with food or other debris.
5. Damage to the bus other than regular usage will be paid for by the persons responsible.
6. Students must be at the designated loading site at the scheduled times.
7. Students must follow the recommended procedure when crossing the roadway.
8. Students must wait until the bus comes to a complete stop before stepping off the curb to board.
9. Students are to get on the bus at their designated stops and not get off before arriving at school.
10. Students going home may get off the bus at another designated destination only with a parent/guardian note and signed by one of the administration.
11. Because buses are loaded to capacity in the mornings, students will not be allowed to bring friends and/or guests on the buses. If you have an overnight guest on a school night, you are responsible for their transportation to school the next morning. Evening routes allow for prearranged guests because of after school activities.
12. Every bus rider must abide by these rules or jeopardize their right to ride the bus.
13. Bus drivers will report all misconduct to the Principal and parents will be notified of the misconduct.

Consequences for Misbehavior on the Bus

Kindergarten through 6th grade

First Offense: The driver has given your student a verbal warning, and a bus incident report sent to parent/guardians.

Second Offense: One-day bus suspension.

Third Offense: Three-day bus suspension; conference with student, parent, school, driver.

Fourth Offense: Five-day bus suspension.

Fifth Offense: Loss of bus riding privileges for the remainder of the school year.

***The administration reserves the right to skip any of the above steps depending on the severity of the infraction/s. This will be handled at the discretion of school administration.**

FOOD IN THE CLASSROOM

Students may bring in a healthy snack each day. Teachers allow time during the day for children to have a healthy snack. Snacks high in sugar/and or caffeine are discouraged. We recommend a snack from one of the food groups: Fruits, grain, vegetables, protein, dairy.

COMPUTER USE / INTERNET

Wrenshall students are provided the opportunity to access the Internet for educational research and information. Electronic information research skills are now fundamental and vital to the education of citizens, the work force, and for higher education. Unless parents/guardians specifically request their child not to have Internet access (See Denial of Access Form), the school district will allow student access to the Internet.

The Computer and Internet Acceptable Use Policy establishes the policies and guidelines for acceptable, responsible, and safe use of the Wrenshall School District's technology resources. Violation of the policy, or any other inappropriate use of the system, may result in computer and/or Internet privileges being revoked. In addition, disciplinary action, and/or legal action may be taken.

Part II: Academics

ATTENDANCE

The State of Minnesota requires that children must attend school regularly. Students are expected to be at school everyday unless they are ill or there is an emergency in the family. Students are expected to come to school on time.

SCHOOL WIDE ATTENDANCE POLICY

Educational studies conducted nationally as well as locally indicate a significant correlation between student attendance and student performance. Excessive absenteeism results in lower achievement.

A good attendance record is one of the characteristics most sought after by employers and poor attendance is a major reason for employee dismissal. It is essential that our students learn this important life skill. A good attendance record will improve the quality of their education and make them a marketable employee.

Thus, student absenteeism should be limited to instances in which an absence is genuinely unavoidable. Each student, his/her parent or guardian, and the school share an obligation to encourage and ensure the student's continuous school attendance.

Minnesota State Law: "The Minnesota Law provides that every child between seven and sixteen must receive instruction for a period of not less than nine months during any school year, unless the child has completed the studies ordinarily required in the tenth grade and is at least sixteen years of age. A student may be excused from attendance by the School Board upon application of his/her parents or guardians on grounds specific to the law."

Attendance will be taken every class period of the school day.

Expectations: Students are to make an effort to schedule appointments outside of the school day. Students are expected to stay at school and attend scheduled classes throughout the day.

Students are expected to attend school on a regular basis in order to be successful in their academic schedules and also to become familiar with the requirements of future employment.

The district is aware that there are many situations that may necessitate absences, such as medical emergencies, chronic illnesses, family crisis, and other unusual circumstances. Every reasonable effort will be made to work with families in these situations to ensure the child has educational support to achieve success.

*It should be noted that elementary students arriving after 9:22 a.m. and/or leaving before 2:15 p.m. will be counted as half a day absent from school.

Excused Absences

An excused absence indicates a legal absence from school via parent/guardian or doctor verification. However, the school reserves the right to excuse or unexcused any non-medical absence according to state guidelines and school district rules and procedures.

Parents are expected to call the school in the morning to report and explain the absence of their child from school. Upon return to school and checking in the student should bring a written note by parent/guardian or doctor in case of a medical absence.

If a student has to leave school early, he or she must have his or her parents call the main office secretary at extension 2000 or be able to show a written excuse signed by a parent.

Furthermore, after parent approval, the student must receive permission from the school office before leaving the building. Any absences that occur throughout the school day that are not approved by the office prior to student departure, are considered unexcused and cannot be excused later by a parent.

The following reasons shall be sufficient to constitute excused absences:

1. Student illness: Parents are only able to excuse their child up to 15 days in a single class period per school year (without a doctor's note) and only within 48 hours of an absence.
2. Serious illness or death in the student's immediate family.
3. Medical or dental appointments: **Parents should make every effort to schedule appointments/treatment outside of the school day.** When this cannot be done, a student's absence due to a medical appointment or dental treatment will need to be verified by a doctor's/dentist's note or fax. **Furthermore, a student will only be medically excused for at most a 1/2 day unless otherwise specifically noted by a medical professional.** It is the responsibility of the student to have the doctor list the time the appointment started and ended on their doctor's excuse note/fax.
4. Court appearance.
5. Recognized religious holiday observance.
6. Religious instruction not to exceed three hours per week.
7. Vacation with prior school approval.
8. Impassable roads/inclement weather.
9. School related absences such as: field trips, sports, a school sponsored event, suspension, etc. (These do not count against a student 15 allowed absences per period)

*In the case of special circumstances, the Administration may approve additional absences.

Prearranged Absences:

A prearranged absence form must be obtained from the main office when students are going to be absent from school for an extended period of time.

Unexcused Absences

1. Any student absent from class, school, detention, or assigned Saturday School that was not approved by the parent/guardian **AND** the school from the above list.
2. Absences in which the parent/guardian fails to contact the school within 48 hours of absence. The school has the discretion to extend this time period as long as it is not abused.
3. Absence resulting from unexcused tardiness.
4. Disciplinary action may result from unexcused absence(s).

Tardies

1. It is the student's responsibility to report to school and class on time
2. When a student reports to school late please report to the office with parent/guardian.

Truancy

1. A student will be considered truant when they willfully miss a class or classes without proper approval (parent and school). Said absence/s will be considered unexcused.
2. After three unexcused or a combination of eight total excused and/or unexcused absences from school in a school year, a letter will be sent home notifying parent/guardian. A copy of this letter will be forwarded to Carlton County's truancy officer. Upon receipt of the letter the truancy officer may elect to contact or meet the student, place the student on an attendance contract, and/or contact or meet with the parents.
3. If a student reaches seven or more unexcused absences in a school year, the truancy officer may refer the student at the County Attorney's Office as a habitual truant pursuant to Minnesota Statute 260C.007, subdivision 19. Upon receipt of a referral from the truancy officer, the County Attorney's Office may elect to file a truancy petition with the district court.
4. Under MN state statutes 124D.03 & 124D.08, **a district may terminate the enrollment of a non-resident student at the end of the school year if the student meets the definition of being habitually truant** (In the high school, that means 7 unexcused class periods in the same hour and in the elementary, that means 7 unexcused full days).

PARENT INVOLVEMENT

Parents/guardians are an integral part of our Wrenshall School family. There are opportunities for involvement in school activities and in individual classrooms. Each classroom will have more detailed information for volunteer opportunities. One of the main ways parents can contribute is by supporting their children in their learning and participating with them in school events.

FIELD TRIPS

All class field trips are planned by each individual teacher and are not required as part of the educational curriculum. Teachers may take field trips to enrich our students' educational experience.

Field trip proposals should be directed to district administration for pre-approval one month prior to the proposed field trip.

The teacher or advisor should make field trip requests. All overnight field trips must be approved by the school board.

Students on a field trip will conduct themselves appropriately, follow the direction of the chaperone/s, and abide by all school rules and regulations while on a field trip.

Parents must give written permission for the student to go on field trips. Students need to be responsible to take slips home and return them on time.

Students not attending field trips are expected to attend school during the field trip. Any absences will count toward the school's attendance policy and potential truancy.

SCHOOL SUPPLIES

If you are in need of a list of school supplies your child will need, please speak to the classroom teacher, check the school website, or read the September issue of Images. Throughout the year, 5th grade students will be selling school supplies at the School Store. School shoes may be the same ones they wear at home. Backpacks help keep materials together and are an easy way for students to carry their school supplies, books, lunches, etc. to and from school.

CONFERENCES

Parent/Teacher conferences are held twice a year for families, one in November and a second one in March. Teachers will send home notifications to set up date and times that work best for families

ASSESSMENTS

As required by the State of Minnesota we assess our students on a yearly basis during the month of April. Elementary testing starts in grade 3.

The Minnesota Comprehensive Assessments (MCA) and alternate assessment Minnesota Test of Academic Skills (MTAS) are the state tests that help districts measure student progress toward Minnesota's academic standards and also meet federal and state legislative requirements. Students take one test in each subject.

SECTION 504

Section 504 is an Act that prohibits discrimination against persons with a handicap in any program receiving Federal financial assistance.

ISD #100 recognizes a responsibility to avoid discrimination in policies and practices regarding its personnel and students. No discrimination against any person with a handicap will knowingly be permitted in any of the programs and practices in the school system.

The school district has specific responsibilities under this Act, which include the responsibility to identify, evaluate, and, if the child is determined to be eligible under Section 504, to afford access to appropriate educational services.

A complete 504 policy is on file in the district office. Please contact district administration for more information on this policy

TITLE I

Our school offers Title I reading and/or math assistance to students in grades K-6 who qualify for services. Title I is a federally funded program which supports a full-time teacher that provides instruction aimed at strengthening the skills of participants.

PK-6 OUTDOOR CLASSROOM

Outdoor education and play support emotional, behavioral and intellectual development. Studies have shown that students who learn outdoors develop: a sense of self, independence, confidence, creativity, decision-making and problem-solving skills, empathy towards others, motor skills, self-discipline and initiative.

Teachers have begun an initiative to start outdoor education. The spaces are located on the side of the school building near the trail. The expansion of this program will be ongoing as grants and other funding sources will be researched to support the costs of adding seating, curriculum, and shelters.

*STANDARDS OF CONDUCT

*Please refer to the High School Handbook for a guide on consequences.

In order to ensure a sound and safe school environment essential to learning, it is critical that certain expectations, policies, and procedures be observed in the school setting.

Students should display respect in attitude, behavior, and language. Halls and classrooms shall be kept clean and safe. **Our expectations are never intended to restrict individuals; rather they are intended to protect their rights.** Expectations should be followed whether or not a teacher is present.

As school staff/students, we have an obligation to maintain and protect the facility and its contents. We **must** and will take this role seriously!

RESTORATIVE JUSTICE/PRACTICES

Wrenshall School District is currently moving toward a more restorative approach to discipline.

Restorative Practices– A framework for a broad range of restorative justice approaches that proactively build a school community based on cooperation, mutual understanding, trust and respect, and respond to conflict by including all people impacted by a conflict in finding solutions that restore relationships and repair the harm done to the school community. These practices can be used to implement positive behavior in classrooms and on school campuses.

Restorative Justice/Practices:

- Addresses misbehavior and harm in a way that strengthens relationships and enhances responsibility.
- Focuses on harm done rather than only rule-breaking.
- Gives voice to the person harmed and others impacted by the harm.
- Utilizes collaborative problem-solving approaches.

Third Parties such as the Carlton County Restorative Justice Program may be permitted to provide assistance in regards to restorative practices.

Positive Behavior Interventions

Wrenshall elementary school models Positive Behavior Interventions to help support our students learn and grow. We aim to take a restorative approach if behaviors occur.

It is a proactive approach to establishing the behavioral supports and social culture needed for all students in a school to achieve social, emotional and academic success.

Positive behavioral interventions and support is a way for schools to encourage positive behavior.

- Through this framework, we teach students about behavior, just as they would teach about other subjects like reading or math.
- The focus is to prevent not punishment.
- We teach our students behavior expectations for every area in the building to build a common language amongst both staff and students.

We will recognize students following our Respect, Effort, Belong expectations by giving them praise and they will receive a Wrens Strong ticket to be used for weekly drawings.

We have listed expectations for different areas of the school which include, hallways, restrooms, buses, playground and cafeteria. Signs will be displayed in these shared spaces for daily reminders for the students to see.

- ☐ It should be noted that refusal to surrender a cell phone or other electronic device not authorized to use when directed to do so by a school staff member, teacher or administrator is a violation of our school's Code of Conduct. Insubordinate behavior could lead to detention, suspension or exclusion from school events.

CONSEQUENCES

- ☐ **First Offense ~ the device will be held in the Administration office until the end of the school day.**
- ☐ **Second Offense ~ the device will remain in the main office until the end of the week. Admin will call parents/guardians to notify and remind them of the policy.**

Students may operate iPods, MP3 players, radios, tape players, CD players, and any similar devices only with headphones and only in the following circumstances: on the bus to and from school; in school prior to the start of classes in the morning, and after school. Violations of the aforementioned policy will result in the same consequences as cell phone violations (See "Communication Devices") Classroom teachers reserve the right to follow their own classroom policies regarding device usage. Students bringing audio/video devices to school should recognize the risk of theft. The school is not responsible for stolen property.

STUDENT DRESS CODE POLICY

Students are expected to dress appropriately for the public school setting at all times.

All students are not to wear hoods, or other head coverings within the building during the school day unless there is a special event and permission has been granted.

Sunglasses

Sunglasses are not necessary in the school building and are not to be worn in class or during indoor school functions.

Gang Related Apparel:

The School District, in its desire to keep students free from threats or harmful influence of gangs or other violent groups, believes that apparel identified as "gang-related" can be reasonably construed as hazardous to the health and safety of the school environment.

Gang symbols, signs, slang, attire, and graffiti will not be allowed in the school setting. Students, staff, and parents who have evidence of these influences in our school should report the concern to school administration immediately.

Behavior or dress suspected as being gang related will be reported to the Sheriff's Department.

Chains, Extreme Jewelry, Etc:

Heavy link chains may not be worn as a necklace, bracelet, belt, or wallet attachment. If it is determined that the chain is heavy enough to be used as a weapon or could jeopardize the safety of the student in possession or any other student or staff member, the student will be asked to remove the item and refrain from wearing the item in the future. Failure to comply or repeated offenses will result in disciplinary action.

Spike collars, chains, heavy locks, some rings/earrings or other extreme wear, will not be allowed if determined to be hazardous to health/safety or is considered to create a distraction to the educational process.

Blankets:

Blankets are not allowed in school.

STUDENT EXPECTATIONS FOR EVENTS & ASSEMBLIES

Students are to follow all behavior expectations during school events and assemblies. Violations of rules or inappropriate behavior may result in removal from the event, activity, or assembly. Additional consequences may be administered.

It is the hope of Wrenshall School Staff and Administration that the student body will demonstrate their support for our athletic teams by attending home games. Once at the game, it is important that each student adheres to certain expectations that will make an enjoyable, safe evening for all.

1. Students are to enter the building through the main lobby entrance where tickets are sold.

2. Once students are admitted to the school activity, they are to remain in the building throughout the activity. If students choose to leave, they are subject to not being readmitted.
3. For the safety of players, the individual's safety, and respect for spectators viewing the game, student fans are asked to limit movement in and out of the gym while play is in progress. The game supervisor may monitor traffic and choose to readmit students only at quarter breaks, time-outs, and/or other stoppages of play.
4. Students are asked to NOT sit on concession tables or stairways.
5. We should support our team in the gymnasium. Socializing with friends should be done primarily in the gym. Students spending extensive amounts of time in the halls or lobby will be asked to return to the gym.
6. Students are expected to utilize positive methods and expressions of support for our team and display good sportsmanship toward the opposing team and fans.
7. All activities are an extension of the school day and school rules apply to those in attendance.

SCHOOL WEAPONS POLICY

Students are forbidden to possess any instrument, in school, on school grounds, at the bus stop, on the bus, or at a school-sponsored activity, that is a weapon or ammunition.

Weapons violations include any kind of weapon (loaded or unloaded) or ammunition on a person, inside their locker, or in their vehicle including **pocket knives, hunting rifles, bows, etc.**, and any other dangerous article or substance being unlawfully used as a weapon against another.

Offense: For students in grades K-12, possession of a weapon will result in the following action by the school authority:

1. Notification of the police
2. Confiscation of the weapon if feasible
3. An initial suspension of 5 days & a conference with parent/guardian prior to the student returning to school
4. A recommendation for expulsion may be made by the Superintendent

"Possession" is defined as having a weapon on one's person or in an area subject to one's control on school property, at the bus stop, on the bus, or at a school-sponsored activity.

***If a student has accidentally brought a weapon or ammunition to school they are to turn it in immediately to administration or an adult supervisor if administration isn't available (i.e. - on the school bus). If it is determined that it was a complete accident, no one was threatened or harmed, and the student turned it in immediately upon discovering it, no consequences will be administered. All weapons and ammunition turned over will not be given back to the student and parents will be called to come pick it up.

DRUG-FREE & WEAPON-FREE ZONE

Drug-Free and Weapon-Free Zone: Minnesota Law considers the school as a drug-free and weapon-free zone. The zone includes school grounds and extends one city block, or 300 feet, beyond the boundaries of school property.

The law is tough on anyone caught selling or possessing illegal drugs in this zone. The law is also tough on anyone caught possessing or using a dangerous weapon in this area.

Juveniles convicted of these crimes, who are at least 14 years old, can be treated as an adult and sentenced in an adult court.

EXPULSION FOR POSSESSION OF FIREARM

The Minnesota State Crime Bill of 1995 states: A school board must expel, for a period of at least one year, a pupil who is determined to have brought a firearm to school except the board may modify this expulsion requirement for a pupil on a case-by-case basis. For the purpose of this section, a firearm is defined in United States Code, title 18, section 921.

SAFETY HAZARD VIOLATIONS

Potential safety hazards exist for students in the following areas:

1. *Fire alarms* - Students who tamper with or set off the fire alarm system will be suspended and turned over to the appropriate local authorities for prosecution.
2. *Fire crackers* - Possession or use of any firecrackers, smoke bombs, or any other pyrotechnical device in the building, at the bus stop, on the bus, on school grounds or at school activities is forbidden because of the health and safety of the student body. Violators will be turned over to the appropriate local authorities for prosecution.
3. *Firearms and knives* - Guns and knives are not permitted on school property and will be confiscated. Law enforcement may be called depending on the circumstances.
4. *Threats & Assault* - Students that threaten physical violence against any staff member or student or actually assault a staff member or student will be assigned appropriate consequences that may include suspension or expulsion.

VIOLENCE ARE AGAINST THE LAW**

Wrenshall School Philosophy Regarding Learning and Discipline

Optimum learning occurs in a positive, safe and secure environment. Students, parents or guardians, teachers, administrators and other district employees all share in the responsibility to ensure a positive climate for learning. The school setting enables students to develop responsible behaviors and habits that will serve them now and later in life. Proper training in discipline should lead to self-control and respect for law, authority, property and the rights of others.

While self-discipline is the ideal, it is understood that corrective measures will be required at times. When it becomes necessary to enforce the consequences of discipline violations as outlined in this policy, the consequences are enforced in a manner that respects the dignity of the student and promotes healthy and responsible behavior.

Discipline is a learning experience, not just a punishment. To that end, discipline:

- Helps the student learn a lesson that will positively affect present and future behavior.
- Is designed to help the student control and change behavior, and guide the student into adulthood.
- Helps the student to grow intellectually and emotionally.
- Enhances the student's self-confidence, self-worth and self-image.

Roles and Responsibilities

School Board – The school board holds all district employees responsible for the maintenance of order within the school district and supports all employees acting within the framework of this discipline policy.

Superintendent – The superintendent will establish guidelines and directives to carry out this policy, hold district employees, students and parents responsible for conforming to this policy, and support district employees performing their duties within the framework of this policy. The superintendent will also establish guidelines and directives for using the services of appropriate agencies for assisting students and parents.

Principal – The school principal or designee is given the responsibility, authority and sole discretion to formulate building rules necessary to enforce this policy, subject to superintendent review. The principal will give direction and support to all school employees performing their duties within the framework of this policy. The principal or designee will consult with parents of students conducting themselves in a manner contrary to the policy. The principal or designee will also involve other professional employees in the disposition of behavior referrals and make use of those agencies appropriate for assisting students and parents.

Teachers – All teachers have responsibility for providing a well-planned teaching/learning environment and have primary responsibility for student conduct, with appropriate assistance from the administration. All teachers will ensure acceptable student behavior.

Other School District Employees – All school district employees are responsible for contributing to the atmosphere of mutual respect within the school. Their responsibilities relating to student behavior are as authorized and directed by the superintendent.

Parents or Legal Guardians – Parents and guardians are responsible for the behavior of their children as determined by law and community practice. They are expected to partner with school authorities and to participate regarding the behavior of their children.

Students – All students are held individually responsible for their behavior and for knowing and adhering to the Code of Student Conduct.

These discipline guidelines are based on school policies located on the district's website. Wrenshall School is a place of learning and it is important that interventions to change behavior are partnered with consequences for behaviors so that students are able to learn from these experiences. Please refer to the High School student handbook for behavior referral expectations.

IN-SCHOOL SUSPENSION

If directed to report to I.S.S., a student must go directly to the main office after they arrive on school grounds and wait for an I.S.S. supervisor to come get them.

Once assigned, the student may have to spend a full seven class periods in I.S.S., completing the consequence the following day if necessary. He or she will not be permitted back to class until the consequence is served. On some occasions, multiple days of I.S.S. or a combination of I.S.S. and other consequences may be assigned.

In-School Suspension Rules

1. Report to the office immediately after arriving on school grounds
2. No verbal or non-verbal communication
3. No food, beverages, or gum
4. No electronic devices/phones
5. No sleeping or resting eyes
6. No picture books or magazines unless they are related to school work (supervisors discretion)
7. No leaving the room or getting out leaving your seat unless approved by the I.S.S. supervisor
8. No resting head, kicking feet up, or lying down
9. No drawing unless related to a school assignment
10. Must have work to do or something to read
11. Listen, respect and follow all instructions of the I.S.S. supervisor (Other rules are at the discretion of the I.S.S. supervisor)

Other In-School Suspension Expectations Include:

- No hall-time without an adult
- Students that are assigned I.S.S. will receive credit for work they complete in a timely manner (at the discretion of the teacher) that they missed due to their having served I.S.S.
- If a student fails or refuses to serve an assigned I.S.S., he or she will not return to classes until the full ISS has been completed in a manner acceptable to administration. In such cases, the student will receive no class credit for missed assignments and they will be marked absent unexcused. Additional consequences may be assigned including additional suspensions.

OUT-OF-SCHOOL SUSPENSION

Students who are assigned out-of-school suspension are subject to the following academic considerations on the day(s) of the suspension:

1. The teacher may require make-up of work missed and/or compensatory assignments.
2. Chapter or larger tests may be made up under usual make-up arrangements.
3. It is the student's obligation to follow up on academic work missed during suspension.
4. Students under out-of-school suspension are restricted from school grounds and all school related events/activities during the period of the suspension.

Part IV – Health/Safety/Wellness

Recess:

- ☐ Students will be provided with daily opportunities to be physically active during a recess period. Recess and unstructured time will complement, not substitute, physical education classes.
- ☐ Recess will be offered outdoors, weather permitting. If outdoor recess is not advised due to weather, air quality, or other considerations, recess will be provided indoors.
- ☐ If the outside air temperature is less than 0 degrees fahrenheit or the windchill is -10 degrees below students will have indoor recess. Students need to dress for the weather including warm coats, snow pants, gloves, hats and boots. Please make sure your children have appropriate clothing for the winter months. Regardless of the wind chill, students who do not have the appropriate winter clothing will not be able to participate in outdoor recess.
- ☐ Children should be dressed appropriately for weather conditions.
- ☐ Preschool, kindergarten, elementary, will have safe playgrounds, recreational facilities, and other equipment available for free play.
- ☐ Lunchtime recess will be scheduled before the meal.
- ☐ A student's participation in recess or other unstructured time will not be denied as a form of discipline or punishment, or used for instructional makeup time.
- ☐ Recess will be supervised by adults to enforce safety rules and prevent injuries. At least one adult trained in first aid, cardiopulmonary resuscitation, and infection control will always be available when students are present on school grounds to respond to injuries and medical emergencies.
- ☐ Supervising adults will be informed of any medical limits impacting the participation of individual students in physical activity. Such information will be treated with strict confidentiality

ELEMENTARY MORNING RECESS

Elementary students not eating breakfast are to report to the playground upon arrival. During inclement weather, students may possibly be required to report to the Commons instead of the playground.

Students eating breakfast are to report to the cafeteria **immediately** upon arrival. Once students are finished eating, they should proceed to the playground or Commons depending on where supervision is taking place.

ELEMENTARY NOON RECESS

All grades K-6 have outdoor recess before lunch each day when the weather allows. As we do not have a large enough indoor space that is monitored at noon time, students must go outdoors unless they are too ill to be outside. If they are too ill to be outside, they will be referred to the nurse. **No exceptions will be made.** Students should dress appropriately based on the weather.

RECESS ATTIRE

Our playground catches the northwest wind and is cold even when the thermometer registers warm. Hats and gloves are needed nearly year round. In the winter we require that students wear **hats, mittens/gloves, coats, snow pants, and boots** on the playground. We want them to be warm and dry as they enjoy the outdoors, and so they can be as comfortable as possible once they are back indoors. It will be the playground supervisors' discretion on what attire is required based on the conditions (Keep in mind that due to cold temperatures and wet conditions, all winter attire may still be required even when there is no snow on the ground).

Closed toe shoes must also be worn on the playground. This means that flip flops and sandals are not allowed on the playground out of concern for student safety.

If proper attire is not brought to the playground by a student several times parents will be contacted. Continued unpreparedness may result in consequences.

RECESS EXPECTATIONS

- ☐ Wear the proper attire.
- ☐ Play in designated areas only.
- ☐ Keep hands, feet, etc. to yourself (No physical horseplay)
- ☐ Share all equipment
- ☐ Headphones or trading cards are not allowed
- ☐ Skateboards, roller skates, or roller blades are not allowed.
- ☐ Baseball/softballs are not allowed on the playground
- ☐ Sharp objects are not allowed.
- ☐ Please leave others' possessions alone.

***If you cannot get a ball before you reach the boundary, notify a supervisor to get it for you.**

***No food, gum, or toys that can be considered hazardous.**

***Stay out of the mud and water.**

***No throwing snowballs or rocks**

***No "king on the hill" or wrestling/shoving games**

***No tackle football.**

***Line up as soon as the whistle blows for your group, enter the building quietly and in an orderly manner**

- *Play carefully and treat others the way you want to be treated.
- *No excluding others to be mean
- *All students need to be physically under control at all times.
- *If you, or another student, have an injury or accident, let a supervisor know right away!
- *Please respect and listen to the recess Supervisors as we want you to have fun but stay safe.
- *Notify recess supervisors **IMMEDIATELY** of any problems you are having with other students. If the problems are bad enough make the classroom teacher aware as soon as possible followed by administration if you feel nothing is being done.

Additional Playground Rules

Swings: Sitting only, swing straight forward and back, slow down before you get off! No standing on or jumping off the swings. Only sixth graders may give pushes. **Do not run between the swings.**

EMERGENCY CONTACT CARDS

It is required that all families should have a card on file and will be contacted via email or phone call if the school does not have one.

ILLNESS AT SCHOOL

Should a student become ill while at school and is unable to attend classes, the student is to report to the nurse's office as soon as possible. The nurse is on duty daily. If a student should become ill when the nurse is not on duty, the student is to report to the main office secretary as soon as possible.

If necessary, the nurse or main office secretary will make arrangements for the student to go home. **Under no circumstances should a student leave for home without checking out through the main office.** (See "Check Out Procedures" above and "Passes: Out-of-Building Pass") If the nurse feels that student needs to go home the absence will be considered medically excused and won't count against the child's attendance.

Students must notify nurse or office staff if checking in or out of the nurse's office.

*It is imperative that your child's emergency card stays up to date so that you can be notified in the event of an illness or emergency. Please notify the school if there are any changes that need to be made to your child's emergency card.

SCHOOL CLOSINGS/EMERGENCY ANNOUNCEMENTS

If school is to be closed or dismissed early because of weather or other emergencies you will be notified through our Instant alert system. This will be the primary information resource for parents. Please make sure your email and phone numbers are always updated.

Emergency school closings, information on late starts, etc. are broadcast over area television and radio stations. These stations are notified as soon as possible that school will be closed or delayed. **No announcement means school is in session.**

Parents/guardians should arrange for and thoroughly discuss with their child what should be done if they are transported home early due to an emergency. In addition, the school strongly encourages parents/guardians to have emergency transportation plans on file for each child.

Please tune into one of the following stations and refrain from calling the school:

Radio – AM
KDAL 610 AM

Radio – FM
KDAL 95.7 FM

TV
KDLH Channel 3
KBJR Channel 6
WDIO Channel 10

The Infinite campus messenger notification system will also be utilized to inform families of any changes in the school day and to announce any other pertinent information.

ACCIDENTS AT SCHOOL

If your child is seriously injured at school, you will be notified. If emergency treatment is needed, and we cannot contact you, we will notify your family physician or take the child to the hospital. The school carries no insurance on students and is not responsible for accidental injuries. Be certain the emergency information form is up to date and complete in the main office.

Emergency forms are sent to each family annually and should be returned immediately. It is important to your child(ren) that we have this updated information. Please notify the main office during the school year if phone numbers change, or if you have any special requests (i.e. hospital preference), who we should call first, special health problems, etc. **It's very important that you indicate on the emergency form, any current medical issues and medications.**

REPORTING ACCIDENTS

Every accident in the school building, on the school grounds, at practice sessions, or at any athletic event sponsored by the school must be reported to the person in charge (immediately) and to the school nurse or main office if possible. An accident report must be filed by the supervising adult within 24 hours and the completed form must be sent to the nurse's office.

HEAD LICE POLICY

Wrenshall School has a no nits, no head lice policy. We strongly suggest that **you** check your child's head for head lice and nits **weekly**. If you have any questions about how to do this or what to look for, you may contact the Wrenshall school nurse at extension 2005.

If you find head lice or nits on your child at home, please notify the school so we can check the other classroom students to prevent the spreading of lice as well as to prevent your child from being re-infected.

If head lice or nits are found at school these steps will be followed:

1. Parent/guardian or emergency contact will be called and the student will be sent home.
2. The child will be excluded from school until the day after treatment.
3. The child must be checked by appropriate school staff before being allowed back into the classroom. If nits or lice are found, students will be sent home.
4. You may contact the nurse to get methods, techniques, and tips for the treating of head lice.

VISION AND HEARING SCREENING

Vision and hearing screening will be done in the fall for first, second, third, fifth, eighth and eleventh grades. A screening can also be done for any child anytime during the school year if a problem is suspected. Contact the school nurse at extension 2005 if you have questions or concerns.

SCHOOL PATROL

Elementary students who walk to school and/or who cross streets by or enroute to school are to cross under the guidance of the school patrol when and where provided. Only walkers who utilize the school patrol will be dismissed prior to bus students. The school patrol consists of responsible sixth grade students who have been trained to get students safely across our streets and roads. Patrol members are on duty from 8:00 to 8:20 a.m. and from 2:55 to 3:10 p.m. each school day.

SCHOOL SAFETY AND EMERGENCY DRILLS

All schools are required by the Minnesota Department of Education to schedule regular safety drills throughout the school year. The three different drills practiced are fire, tornado, and lockdown. We also are prepared for an evacuation if that was needed. We have a team that meets each school year to review our emergency plans and revise as needed. In addition, we debrief after drills to consider ways to improve.

Fire Drills

In order to assure the safety of our students, the Minnesota Department of Education requires five fire drills throughout the school year. When the fire alarm sounds, students and staff leave the building in a quiet, orderly manner. Teachers take their Emergency Grab and Go bags, do an attendance check, and report their status to the principal or admin designee. Our goal is to be out of the building in under 2 minutes.

Tornado Drills

One tornado drill is held in the spring to coordinate with the Statewide Tornado Drill Day. Students are moved to designated safe areas to help minimize exposure to falling or flying debris. The principal or admin designee checks all areas for proper procedures.

Lockdown Drills

The lockdown drill is a “code yellow” and/or a “code red”. We have five lockdown drills each school year. A code yellow is an external lockdown (awareness of events in the area), access to the building is strictly monitored, and doors remain locked (as usual), the program continues in classrooms. A code red is a full school internal and external lockdown. All students and staff stay out of sight in their locked classrooms. The principal and engineers check the building to make sure all staff and students are properly following procedures. The goal is to maintain a safe environment for all our students and staff.

Evacuation

Our fire drill serves as our evacuation practice--getting out of the building efficiently. In the event of a true evacuation, all students, staff, and visitors would evacuate to our primary evacuation site: Wrenshall Fire Hall. There would be a formal system in place for parents to be united with their children. We thank you in advance for your cooperation to ensure the safety of our students.

CHILD ABUSE AND NEGLECT REPORTING

School District employees are **required** to report evidence of child physical or sexual abuse, neglect, emotional maltreatment, or prenatal exposure to controlled substances. Any person who is required to report this evidence and who willfully fails to do so will be guilty of a misdemeanor. At the same time, any person who reports child neglect, physical or sexual abuse, emotional maltreatment, or prenatal exposure to controlled substances is immune from civil or criminal liability that otherwise might result from such action.

The district administration, school nurse, counselor, and/or reporter of the incident may discuss the situation with the child or youth and emphasize that the school is not interested in accusing or punishing anyone, but rather, is interested in helping ensure that the maltreatment does not continue.

Upon receiving a report of suspected neglect, physical or sexual abuse, emotional maltreatment, or prenatal exposure to controlled substances, the reporter of the incident must call the proper authorities within 24 hours. Each local social service agency and law enforcement agency has legal authority to interview at school, without parental consent, the alleged victim and any other minors who currently reside with or who have resided with the alleged perpetrator.

IMMUNIZATIONS

Minnesota state law requires immunizations for students in Kindergarten through 6th grade:

DTaP: (Tetanus, diphtheria, pertussis): **5 doses**

Polio: **4 doses**

MMR: (Measles, mumps, rubella): **2 doses** after birthday

Hepatitis B: **3 doses** over 6 months

Varicella (Chicken pox): **2 doses** after first birthday **OR** medical documentation of disease history.

Minnesota immunization law: Statute 212A.15 sub.2 **REQUIRES** that in order for a child to enroll in school a parent must show they have received the required immunizations or an exemption. Please make sure that your child has all the necessary immunizations/paperwork into the nurse's office **BEFORE** your child attends class.

Immunization/exemption forms (exemption forms must be notarized) are available in the nurse's office or on the Wrenshall website, under services, then under health. Parents can call their child's doctor's office and have their immunization records faxed to the school (fax: 218-384-4293 Attn: School Nurse)

ADMINISTRATION OF PRESCRIPTION AND NON-PRESCRIPTION MEDICATION AT SCHOOL

These steps must be completed before any medication will be given at school. Medication forms are available in the nurse's office. Whenever possible, medication should be given at home and every effort should be made to avoid school hours.

1. A "Wrenshall School Medication Administration Authorization" form must be fully completed annually (once per year) **and** when any change in the prescription or requirements for administration occurs. This form is available from the school nurse or can be found on the Wrenshall school website, under services, then under health.
2. All medication(s) must come to school in the original container, if prescription, it must also be labeled for the student in accordance with the law and must be administered in a manner consistent with the instructions on the label or an updated medication order by a medical doctor.

3. All medication(s) are provided by the parent or guardian. **The school does not supply any medications for students or faculty.**
4. **Medications are not to be carried by the students, and will be left with the appropriate school district personnel** (i.e.- school nurse, secretary, office staff, etc.). The only exceptions to the requirement that students cannot carry medications are: prescription asthma medications that are self-administered with an inhaler, and medications administered as noted in a written agreement between the school district and the parent.

Non-Prescription:

1. Elementary students must follow all steps listed above for both prescription and non-prescription medications; this includes Tylenol, Ibuprofen, Motrin, cold medications, etc. Elementary students do not have the ability to self administer medication or have medication on their person at all.
2. The school must receive signed authorization on the school's non-prescription medication form (This form can be obtained in the nurse's office) from a parent/guardian permitting high school students to self-administer specific medication(s). Elementary students do not have this ability and all medication must be administered by the school nurse.
3. No medications will be provided by the school.
4. Medications must be brought in the original bottle.
5. The school may revoke a student's privilege to possess and use non-prescription pain relievers if there is any concern of abuse of this privilege.

***Any violations of these rules may result in disciplinary measures.

PARENT CONCERNS AND QUESTIONS PROTOCOL

If you have a concern or question, please contact the appropriate staff member. We want to work with you to provide the best experience for your child. We do ask that you follow the chain of command in our school.

Here is a list of the steps to follow in order:

1. Talk to the staff member directly involved (bus driver, teacher, paraprofessional, coach, etc.)
2. If not resolved, contact the Principal
3. If not resolved, contact the Superintendent
4. If not resolved, contact the School Board

We do understand there are some issues that require you to go directly to a supervisor. We will be glad to assist you in those situations.
