**New Summer Grocery Benefit**

### Who can receive SUN Bucks?

Children can receive SUN Bucks if they qualify between July 1, 2024 and Aug. 31, 2025 in one of the following ways.

**Children (ages 7-17) who are:**

- SUN Bucks benefits will expire 122 days after the benefits are available to use in the account.
- Families can create an EBT Edge account at [www.ebtedge.com](http://www.ebtedge.com) to see their benefit balance and availability date.

**Using your SUN Bucks card**

- Use your SUN Bucks to buy healthy foods like fruits, vegetables, meat, whole grains, and dairy. SUN Bucks cards work anywhere SNAP is accepted.

One of the projects proposed by the American Indian Parent Committee for the 2024-25 school year, as part of the State MDE Indian Education Plan, is the creation of a mural in the commons area. We aim for this art project to help our American Indian students feel a sense of belonging within the school, fostering a positive self-image. Additionally, the mural will promote intercultural awareness among students and staff, as it will depict one of our traditional stories.

We look forward to the mural's completion and the positive discussions and interactions it will inspire. All American Indian students from grades K-12 will have the opportunity to help paint and be a part of this process. Parents and guardians, if you would like to also contribute, please feel free to come and join us.

## ENROLLMENT PROCESS

### TARGET CLASS SIZES TO ENSURE QUALITY INSTRUCTION

In 2024, the Wrenshall Board of Education and teachers collaborated to establish target class sizes to ensure quality instruction. Those established targets are:

- Preschool-Kindergarten = 20
- Grades 1-3 = 23
- Grades 4-6 = 25
- Grades 7-8 = 28
- High School = 30 for most classes

### OPENING AND CLOSING GRADES, ADDING SECTIONS

Since the above targets were established, class sizes have been proactively monitored. This can result in closing grades to open enrollment from outside of the district boundaries in accordance with Minnesota Statute 124D.03. It can also result in the addition of sections to grade levels.

### PROCESS FOR ACCEPTING OPEN ENROLLMENT APPLICATIONS

Per statute, a wait list for each closed grade shall be established to provide for a nondiscriminatory and orderly process for accepting open enrollment applications without creating undue hardship upon the District's resources and its capacity

to provide a Free and Appropriate Public Education to all students served. The following preference criteria will be applied to open enrollment wait list applicants for the 2025-2026 school year:

1. Applicants whose parent or legal guardian is a current employee of Independent District No. 100.
2. Applicants for which a sibling or member of the same household has been accepted for open enrollment in a grade level which has not been closed by resolution.
3. Applicants not meeting the above criteria will be offered open enrollment opportunities when available based on the earliest date on which their completed General Statewide Enrollment Options Application for K-12 and Early Childhood Special Education was received by the District.

Applicants offered open enrollment must complete enrollment within ten (10) days of the District's notification and transportation may be offered, although not required beyond the District's boundaries as described in statute.

### WE ARE HERE TO HELP. PLEASE REACH OUT FOR ASSISTANCE WITH OPEN ENROLLMENT APPLICATIONS.

The open enrollment process in Minnesota can be complicated. Please don't hesitate to contact the Wrenshall School office at (218) 384-4274 x2000 for assistance in completing open enrollment applications. **Students residing within the Wrenshall School District boundaries are welcome to enroll immediately year-round without exception.**

**Are you interested in acquiring the historic scoreboard from the Wrenshall football field?**

Due to the generosity of several local donors, a new scoreboard was installed on the Wrenshall football field this school year. This has resulted in the availability of any party to bid for ownership of the historic scoreboard. Parties interested in acquiring this artifact should follow the steps below:

- 1. The bidding process will begin with an email inquiry to Rosy Bradley in the district office (rbradley@isd100.org).
- 2. Removal of the historic scoreboard from the school premises must be arranged through the Wrenshall School Facilities Manager and will need to take place no later than July 31, 2025.

*If there is no interest, the sign will be offered to an electronics recycler in accordance with school policies 802 and 805.*

The two photos below show the front and back of the scoreboard. The controller and extra bulbs are included.

**HOMELESS EDUCATION** In compliance with The McKinney-Vento Act of 2001, Wrenshall School is committed to providing a free, appropriate public education to any children or youth in the school district who are experiencing homelessness. Homelessness is defined as a lack of a fixed, regular and adequate nighttime residence. Anyone aware of local school-age children experiencing homelessness, please contact Wrenshall School's homeless liaison, Jeff Pesta. Further information on McKinney-Vento and rights of homeless children can be found at <http://education.state.mn.us/MDE/SchSup/ESEA/HomelessMcKinneyVento/index.html> or call the NCHE Helpline at 800-308-2145 or e-mail [homeless@serve.org](mailto:homeless@serve.org)
