

SUPERINTENDENT SEARCH – ISD #100

Wrenshall School has selected its next superintendent.

On January 22, 2025, the Wrenshall School learning community gathered for the second and final round of superintendent interviews. The community welcomed back Mr. Tom Rich and Dr. Frank Schill for their second visits.

The interview format included questions from a panel representing students, faculty, and the community. Individuals from our learning community who attended in person had an opportunity to submit feedback to the school board through comment cards. The Wrenshall School Board was pleased to carefully consider two candidates that they unanimously identified as viable for a potential contract offer. After considerable deliberation, the Board unanimously voted to offer the opportunity to **Dr. Frank Schill**, who accepted the offer. A Board negotiations committee will schedule an upcoming meeting to finalize a contract which is due to take effect on July 1, 2025.

THANK YOU. Thank you to our exceptional candidates and to all those in our learning community who engaged in this superintendent search process. Thank you also to Mr. Jeff Pesta, Rising Tide School Board Services, for your steadfast guidance throughout this process.
